

PRODUCT RANGE

BOUTIQUE BY DAY - 6% HP

1.5 HOURS WEAR

Boutique by Day is designed for people who want great results with minimum wear time. The formula whitens your teeth with only 1.5 hours wear per day, perfect for those that don't want to wear appliances overnight.

BOUTIQUE BY NIGHT - 10% CP

4-6 HOURS WEAR OR OVERNIGHT

Boutique by Night 10% is a mild formula designed for overnight wear. This gel offers fantastic results and low incidence of sensitivity.

BOUTIQUE BY NIGHT - 16% CP

4-6 HOURS WEAR OR OVERNIGHT

Boutique by Night 16% is a high strength formula that whitens your teeth as you sleep. This gel is tough on stains but gentle on teeth - our best seller!

HYBRID PRO - 4.25% HP / 4.25% CP

3-4 HOURS WEAR OR OVERNIGHT

The Hybrid Pro is a dual action gel - unique in the UK. The hydrogen gets to work immediately, compounded by the slow release carbamide to deliver a gentle, yet effective, formula.

S4S WHITENING TRAYS

Any of our gel kits are available with, or without, whitening trays. Our widely acclaimed trays from S4S are beautifully designed, refined by science and expertly manufactured.

B1 GUARANTEE - 16% CP

4-6 HOURS WEAR OR OVERNIGHT

Using our award-winning, 16% overnight formula, for up to 6 weeks, we can guarantee your teeth will get to VITA shade B1 (the whitest natural shade).
